

Video Chat Scavenger Hunt

An Online Game To Play With Friends

Instructions:

You need:

2-5 players & a video chat platform like Skype, Zoom or Marco Polo

How to play:

Each player will need a copy of the Video Chat Scavenger Hunt to Play.

Take turns finding items in your home that fit in the categories listed. Share about what they mean to you!

Players can share one of each item OR an item for each category.

Alternately, players in large groups can each be assigned one item to share.
