## Minute to Win it Ideas

**TURKEY FEATHER BLOW:** Players must blow a feather (or a lightweight leaf) across a table using only their breath. The goal is to keep it from falling off the edge within 60 seconds.

**PUMPKIN STACK:** Using mini pumpkins or small gourds, players have one minute to stack as many as possible without them toppling over.

**CORN KERNELS TRANSFER:** Players use a spoon to transfer dried corn kernels from one bowl to another. The catch: no hands allowed! Whoever transfers the most kernels in a minute wins.

**STUFF THE TURKEY:** Create a "turkey" using a large container with a turkey face and feathers. Players have one minute to toss crumpled paper balls (representing stuffing) into the "turkey" from a few feet away.

**THANKSGIVING TABLE RELAY:** Place a Thanksgiving-themed item (like small pies or plastic forks) on a spoon. Players must carry the spoon in their mouth and walk across a room to drop the item into a bowl.

**PUMPKIN ROLL:** Roll a mini pumpkin across the floor using only your nose. The player who rolls the pumpkin the farthest in one minute wins.

**FEATHER FLOAT:** Players must keep a feather in the air by blowing on it. Whoever keeps it from touching the ground the longest within a minute is the winner.

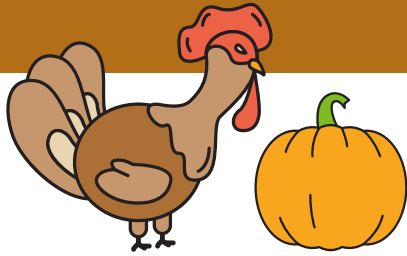

**TURKEY WADDLE:** Players place a balloon between their knees and must waddle across the room to drop it into a basket. No hands allowed, and the person who gets the most balloons in the basket within a minute wins.

**CRANBERRY SCOOP:** Using a spoon, players must transfer cranberries from one bowl to another while holding the spoon in their mouth. The person with the most cranberries transferred in a minute wins.

**PIE FACE RACE:** Players place whipped cream on a plate and use only their faces to find candy or small objects hidden in the whipped cream. The person who finds the most objects in one minute wins.
